

# CitruSolv® C-100 HEAVY CONCENTRATE

## BROAD SPECTRUM INSECTICIDE and FUNGICIDE

KILLS ASIAN CITRUS PSYLLIDS, MITES, APHIDS, and CITRUS ROOT WEAVEL

FIFRA 25(b) Exempt  
Product

### PRODUCT INFORMATION

*CitruSolv® C-100* is an effective environmentally-friendly treatment that exterminates insects, including the Asian Citrus Psyllid. This biobased formula controls pests and citrus related fungi without the use of dangerous chemicals. Control common citrus tree pests, such as psyllids, whiteflies, scales, thrips, leaf miner, rust mites, and spider mites.

This product is exempt from registration with the Federal EPA under section 25 (b) of FIFRA, *CitruSolv® C-100* has not been registered with the U.S. Environmental Protection Agency. Global BioClean, Inc., represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

### PRODUCT APPLICATION

Application rate per acre: Mix 1 gallon of *CitruSolv® C-100* per 100 gallons of fresh water. Apply enough to cover the entire surfaces of the tree. Repeat application as necessary, coverage is essential to establish control. Adjust levels of dilution as required. Please consult with a product representative for recommended applications as applications may vary.

### Caution: KEEP OUT OF REACH OF CHILDREN

May Cause serious eye damage and skin irritation

### PRECAUTIONS

While this product has been identified as a minimal risk product exempt from Federal Registration we recommend good safety and environmental practices as with any insecticide. Such as, avoiding contact with eyes, mucous membranes, and prolonged contact with skin. Always use safety glasses and gloves when handling concentrate, have adequate ventilation, and keep containers capped when not in use. If in eyes rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Take off contaminated clothing and wash it before reuse. If spilled, avoid area as material is slippery, avoid contact with porous and painted surfaces as staining may occur. Store in a cool dry place.
